

Institutional Distinctiveness

Our mission is to be a premier engineering and technology institution with competency, values, and social concern. Sri Sakthi Engineering College is a motivating and supportive platform for students to demonstrate their abilities and knowledge in a variety of competitive technical events. To raise the level of proficiency, our institute has organized a number of technical events and awareness activities.

The main objective of Sree Sakthi Engineering College is the pursuit of Academic Excellence with industrial knowledge. SSEC strives to create meritorious professionals to serve the humanity by imparting technical knowledge with industrial exposure. This institution stands alone by focusing greater emphasis on imparting engineering education with self-discipline and overall personality development among budding engineers with respect to ethical, and moral values. SSEC provides the best possible infrastructure facilities for the student community. A few of amenities such as **ICT enabled class rooms**, well equipped laboratory with latest equipments, 330 computers connected with internet of 50 MBPS speed, well stocked library with **DELNET** subscription for journals and e-books, etc .SSEC have initiated many clubs activities like Eco-club, Podcast Club, EDC cell, Science Club, Math club, Auto club & Yoga and meditation club to develop the students skills and impart knowledge in different verticals. SSEC situated in industrial city Coimbatore and run by the industry management the students often exposed to the industry scenario. Regular industrial visits to industry and our sister concern industries provides the young budding engineers with knowledge excel when they are graduating. Major projects done Sports are given equal importance as academics. Various outdoor and indoor courts make the students strong

physically and mentally to improve their learning skills. By the students in the final year and in third year are industry sponsored projects.
