- If a staff member is prevented from availing VL in the interest of the institution, as per orders of the Principal/CEO, the leave may be utilized at a later date within the same academic year, subject to approval.
- Any unused portion of VL by faculty cannot be carried over to the next academic year.

LEAVE ON LOSS OF PAY (LOP)

- Absence from duty without prior permission and without making alternative arrangements for classes or other important duties will be treated as Leave on Loss of Pay (LOP).
- Any leave availed in excess of the prescribed limit shall be considered LOP.

- The decision of the Principal/CEO shall be final in such cases.
- Any staff member absent from duty without prior or post-facto permission for more than seven days will be considered to have abandoned service.
